

November's News

It's getting colder outside and as we sit down to share our news, we're always amazed how quickly fall goes by. So far, we have had a busy, fun-filled and successful season:

SPOOK in SKATES !

Halloween was a hoot for our Canskaters, Coaches and Families. It was great to see everyone having such a fabooooolous time. It's always heartwarming to see our young skaters perform, especially at such a spooktacular time of the year.

On this, we'd like to take the opportunity to profoundly praise all our engaging program assistants:

Thank you, Marin Paquin, Katie Burgess, Lindsey Doucette, Katerina Mylonas, Amalia Mylonas, Mara Will, Grace Johnson & Kennedy Bond for the wonderful job you do with our little skaters ... not only on Halloween!

Congratulations: November 5-8, the club's Senior Skaters – Dawson Nodwell (Pre-Novice Men), Katie Burgess (Pre-Novice Women), Mara Will (Juvenile U12), Grace Johnson, Baillie Collins, Vienna Nodwell (Juvenile U14), and Amalia Mylonas (Pre-Juvenile U13) competed at 2016 – Sectionals!

Thanks to all skaters who competed and have achieved some personal bests. Dawson and Grace both placed first in their respective categories and Dawson will be moving on to Challenge in Edmonton which will take place Dec. 2-6. Good luck and don't forget to SMILE!!!

Left: At a practice skate at the Lethbridge arena our skaters had a chance to skate on the same ice with former Canadian National team members Jeremy Ten (men's) and Paige Lawrence (2014 Olympian for pairs) - Wooooowww!

Wooooowww!

Our skaters Baillie Collins and Vienna Nodwell were flower/stuffy retrievers at the Skate Canada International Competition that was held in Lethbridge Oct 30-Nov 1. Also, many of our senior skaters took a road trip to Lethbridge to watch this special event and to see Canada's top skaters compete against other skaters from around the world. What a wonderful experience for them!
